

## **Enhancing Data Infrastructure for Collection and Integration of Patient-Reported Outcomes and other Patient-Generated Health Data within PCORnet®**

DECEMBER 14, 2021, 2:00 PM – 3:30 PM ET

### **OBJECTIVES FOR WEBINAR**

- ❖ Discuss the current state of patient-reported outcome (PRO) data and patient-generated health data (PGHD) collection by PCORnet Network Partners.
- ❖ Discuss opportunities to improve accessibility and quality of PRO data within the PCORnet Common Data Model (CDM).
- ❖ Engage stakeholders on short-term and long-term infrastructure priorities to expand PRO data availability across the Network.

---

**2:00 PM – 2:05 PM ET**

#### **Welcome and Opening Remarks**

PRASHILA DULLABH, NORC at the University of Chicago

**2:05 PM – 2:15 PM ET**

#### **PCORnet Data Convening Overview and Objectives**

NIK KOSCIELNIAK, PCORI

**2:15 PM – 2:20 PM ET**

#### **Current Landscape of PRO and PGHD Collection and Use Within PCORnet**

*A brief overview of 2021 survey findings on PRO and PGHD collection among PCORnet Research Network Partners and introduction of the main opportunities for discussion.*

PRIYANKA DESAI, NORC at the University of Chicago

**2:20 PM – 2:40 PM ET**

#### **Opportunities for Leveraging PRO Data Collected During Clinical Care**

*Discuss data infrastructure opportunities including the CDM to leverage PRO data collected from routine clinical care for research.*

JUSTIN BACHMANN, STAR, Vanderbilt University  
ELIZABETH AUSTIN, University of Washington

**2:40 PM – 3:05 PM ET**

#### **Opportunities for Leveraging PRO Data Collected During Research**

*Discuss data infrastructure opportunities including the CDM to leverage PRO data collected for research.*

CHARLES BAILEY, PEDSnet, Children's Hospital of Philadelphia  
DANIELLA MEEKER, University of Southern California

**3:05 PM – 3:20 PM ET**

**Opportunities to Capture PGHD**

*Discuss the future of PGHD capture and potential opportunities to leverage data from devices and wearable technologies.*

MARK PLETCHER, University of California, San Francisco

**3:20 PM – 3:30 PM ET**

**Final Thoughts and Q&A**

PRASHILA DULLABH, NORC at the University of Chicago  
PRIYANKA DESAI, NORC at the University of Chicago

**3:30 PM ET**

**Adjourn**
